Eastern Shore Natural Gas Company; Notice of Proposed Changes in FERC Gas Tariff

December 10, 1996.

Take notice that on December 6, 1996, Eastern Shore Natural Gas Company (ESNG) tendered for filing certain revised tariff sheets in the above captioned dockets as part of its FERC Gas Tariff, First Revised Volume No. 1, with proposed effective dates of November 1, 1996 and December 1, 1996, respectively.

ESNG states that the purpose of the instant filing is twofold. First, ESNG is filing Substitute 2nd Revised Eighty-Sixth Revised Sheet No. 6, proposed to be effective November 1, 1996. ESNG states that such tariff sheet is being filed to correct a clerical error with respect to Rate Schedule CWS and CFSS storage rates shown thereon. ESNG neglected to bring the proper rates forward from First Revised 36th Sheet No. 14A, also as filed in Docket No. TM97-5-23-000. This error carried through ESNG's subsequent out-of-cycle quarterly PGA filing in Docket No. TQ97-2-23-000, thus requiring ESNG to also file Substitute Eighty-Seventh Revised Sheet No. 6, proposed to be effective December 1, 1996.

Second, ESNG states that it is filing herein to track certain more recent rate changes attributable to storage service purchased from Transcontinental Gas Pipe Line Corporation (Transco) under their Rate Schedules GSS and LSS, respectively, the costs of which are included in the rates and charges payable under ESNG's respective Rate Schedules GSS-1 and LSS-1. ESNG proposes to track the changes concurrently with Transco, namely November 1, 1996. This tracking filing is being filed pursuant to Section 24 of the General Terms and Conditions of ESNG's FERC Gas Tariff.

ESNG states that copies of the filing have been served upon its jurisdictional customers and interested State Commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C.

20426, in accordance with Rule 211 and Rule 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.
